## ***Two companies unite to form an MBE, offering unique safety solutions for today's marketplace.***

**Jackson, MS** - HRD Results and ORR Safety have partnered together to form **HRD Safety**, a MBE (Minority Business Enterprise) focused on providing unique solutions for some of the industry's most challenging safety issues. Today, HRD Safety represents over 600 of the industry's leading manufacturers covering all aspects of Industrial Safety, Occupational Health, Industrial Hygiene, and Fire related equipment and supplies.

HRD Safety offers the opportunity for a company to meet its "Diversity Supplier Spend" targeted goals with a proven Tier 1 safety supplier. This unique combination provides you with the best of both worlds, a trusted supplier with multiple "diversity" certifications.

Diversity Certifications: Veteran Owned Business (VOB), Disabled Veteran Owned Business (DVOB), Minority Business Enterprise (MBE), Disadvantaged Business Enterprise (DBE), Small Business Administration (SBA), National Minority Supplier Development Council (NMSDC), and Arkansas/Mississippi Minority Business Council (AMMBC).

Majority owner and President Richard Conerly has 21 years of military management experience along with his BS and Master degrees in Business Management. Combining Richard's expertise with ORR Safety's six decades of experience in the Industrial Safety and Occupational Health Industry equates to a Minority Business Enterprise that truly WORKS!
